Dear Chairperson Williams:

Congratulations on joining over 350 federally recognized American Indian and Alaska Native Tribes participating in the Indian Health Service (IHS) Tribal Self-Governance Program by entering into a Tribal Self-Governance compact and funding agreement (FA) under the authority of Title V of the Indian Self-Determination and Education Assistance Act (ISDEAA). This is a historic occasion for the Pinoleville Pomo Nation (Nation) and the United States of America.

Enclosed is a signed copy of the Nation's compact and FA, effective July 1, 2018. These agreements are signed under the authority of Title V of the Indian Self-Determination and Education Assistance Act (ISDEAA). I have provided a copy of your compact and FA to the IHS California Area Director, Agency Lead Negotiator, and key IHS Headquarters Offices.

I wish you all the best as you enter into this historic partnership with the United States of America through Tribal Self-Governance. It is our primary goal to work together to make Self-Governance a successful elected choice for the Nation.

On behalf of the IHS Office of Tribal Self-Governance (OTSG), I wish you success as you strive to provide the highest level of health care services to your members and others that you serve. The OTSG is committed to strengthening our partnership with the Pinoleville Pomo Nation. If you have questions regarding your compact or FA, please contact Mr. Aaron Lane, Program Analyst, OTSG, by telephone at (301)-443-7821 or by e-mail at [Aaron.Lane2@ihs.gov](mailto:Aaron.Lane2@ihs.gov).

Sincerely,

Jennifer Cooper
